## EXPERIENCE

### State Farm Insurance

#### Intern

Florence, South Carolina

May 2026-August 2026

- Supported insurance sales operations during a 3-month summer internship through client outreach, prospecting, and lead generation. Worked alongside 7 other team members in a top regional performing agency that ranked #1 in the region for production in June.
- Contacted 2000+ prospective and existing clients weekly to support follow-up efforts, service needs, and new business opportunities.
- Assisted with preparing 250+ insurance quotes, proposals, and policy information documents for prospective and existing clients.
- Maintained and updated 3000+ client records to support customer relationship management, organized sales tracking, and accurate follow-up.
- Participated in weekly sales meetings and training sessions to build knowledge of insurance products, risk management, and consultative sales.
- Supported marketing and outreach initiatives to promote insurance products and strengthen client engagement within the local community.

### Kona Ice of Florence

South Carolina

May 2021-August 2025

#### Team Lead

- Trained and supervised team members over for around 4 years in fast-paced event environments to improve service efficiency and maintain operating standards.
- Processed, monitored, and reconciled sales transactions for 20+ events to support accurate daily revenue reporting.
- Analyzed sales data to calculate sales tax, hospitality tax, and revenue-based giveback contributions for fundraising events.
- Monitored inventory and coordinated ordering needs to maintain adequate stock levels for daily operations and multi-unit events.
- Managed communication with businesses, school personnel, and individual event organizers to secure bookings and coordinate event logistics.
- Supported operations for school, business, and community events by helping coordinate staffing, inventory, and customer service needs.

---

## Clubs, Certificates, and Projects

**BMC Certificate:** Completed Bloomberg Market Concepts (BMC) certificate, building foundational knowledge of financial markets, Bloomberg Terminal basics, and key market concepts.

### Carolina Fund

- Analyst for a student-led investment organization focused on evaluating potential investments for the club's mock portfolio and paper trading opportunities.
- Built and analyzed LBO, DCF, Comparable Companies, and Precedent Transactions models for companies while conducting research and preparing investment pitches.

### Carolina Finance & Investment Association

- Member of a student finance organization focused on recruiting, networking, resume workshops, interview prep, and alumni connections.
- Attended the Adventis FMC bootcamp, building financial modeling, valuation, and investment analysis skills through hands-on training.

**Personal Website:** Built my personal website for recruiters or anyone interested to view as a "second resume" where they can access my projects, essays, and other relevant information about myself.
